Trapshooting Rules of Etiquette

1. 1st time shooters are REQUIRED to sign a liability release form before being permitted to shoot.
2. Treat every gun as though it is loaded.
3. Make sure the barrel is clear before loading.
4. Score keeper is the Safety Officer for the squad that is shooting. In absence of a score keeper, the #1 shooter is the safety officer.
5. Only 5 shooters on the firing line at a time. Gun must be open and empty when moving to a new station and/or leaving the shooting field.
6. If you have a shell or wad stuck in your barrel you need a rod to remove it – Do not leave your post. Have score keeper or #1 shooter bring it to you.
7. Never discard a misfired shell on the ground.
8. While on the firing line, keep your gun pointed forward and down unless actually shooting.
9. When leaving post #5 point gun down and away from shooters. When changing stations always walk **BEHIND** the shooters, **NEVER** in front.
10. Only 1 shell at a time will be loaded in your gun for trap, unless shooting doubles.
11. No shot less than 7-1/2 will be allowed – no shells faster than 1300 fps will be allowed. No picking up shells from ground until the squad is finished shooting.
12. Only club members will be allowed to fill or work on the traps. Cease fire will be required when filling traps.
13. Ear and eye protection will be required for all shooters.
14. No alcohol will be allowed and no one under the influence will be allowed to shoot.
15. ALWAYS USE COMMON SENSE AND GOOD SPORTSMANSHIP.

I have read and understood the Trapshooting Rules of Etiquette.
